

Chestnut Summer 1 Newsletter

Writing, reading & maths

This term in writing, we will be writing a range of genres: fantasy story based on space; instructions on how to make a paper rocket and an acrostic poem on space.

During whole class guided reading, we will be retrieving, predicting and inferring information from a book called 'Cakes in Space' by Philip Reeve.

In maths, we will be continuing to add and subtract within 100, before moving onto multiplication and division.

History & Science

In History, we will be learning at the history of flying. We will be looking at a range of key individuals: the Wright Brothers, Bessie Coleman and Amelia Earhart.

In Science, we will be learning about the seasons of the year.

PE

The children will need their PE kits on Wednesdays and Fridays this term.

In PHSE, we will be focusing on economic wellbeing.

In Computing, we will be looking at programming robots.

Little Wandle Home Reading

This summer term we are focusing on the children becoming fluent readers. This means we are encouraging the children to sound talk in their heads and then automatically recall words.
