

CHESTNUT

CLASSROOM NEWSLETTER

This term, our writing and reading sessions are based on three books.

- Naughty Bus by Jan Oke
- Toys in Space by Mini Grey
- There's a Rang-Tan in My Bedroom by James Sellick

In science, the children will be learning about everyday materials and their uses - using key vocabulary. In History, the children will be exploring the past through toys. They will be investigating toys and comparing them to the children's favourite toys.

In PE, the children will be developing their wide, narrow and curved movements, whilst developing their attacking and defending skills in a variety of game situations. In music, the children will be focusing on pitch - exploring high and low musical notations.

Maths

This term the children will be developing their understanding of numbers to 100. We will be orally rehearsing numbers by counting forwards and backwards with multiple representations. Children will also be challenged in a variety of problem solving and reasoning questions.

Routines

- Reading books will continue to be changed on a Friday (unless your child is on Little Wandle Reading Fluency and a free reader).
- The children will need their PE kits every Thursday and Friday.

Thank you for your continued support.
