Open door...teamwork and policies

If you have a worry or concern, please do not wait, please talk to us. We can more easily chat at the end of school on pick up, or on class dojo. However, you are welcome to phone the office, or email the office and we will phone you back or arrange a more convenient meeting time for you. Children's education really does work best when home and school work as a team. If you want more information about practices at school we are currently going through our yearly policy updates and they are going onto the website. Here is the link to the [policy page](#).

Phonic screening and Multiplication checks

This week in year 1 we will be doing statutory phonics screening checks; the children will not realise they are any different from our usual phonics checks. Also, year 4 will be doing their Multiplication checks. We have had a practice of these and we will practice a bit into this week until we do the real ones. Again, nothing to worry the children about as they will try their best as always.

Fathers'/ Significant person's lunch

We have lots of people signed up for the Fathers' day/ significant persons' lunch on Friday 14th, please arrive between 11.50-12. Then we will get your child to come and be with you and send table by table up to get their lunches. We are looking forward to welcoming you all.
