Awards of the week

Stars of the week-

Willow class: Lincoln for his fantastic effort in phonics.

Chestnut class: Sophie for working hard in all subjects and showing perseverance.

Oak class: Barnaby for working hard on his most poster.

Hazel class: Hector for his excellent behaviour and listening at the beach.

Sports award winners: Zak for scoring 7 goals in Futsal, Erin for persevering in the long cross-country race. Hector for making everyone proud at cross country. Wyatt and Theo PB for showing perseverance and being great teammates at the cross country.

Good Samaritan of the week: Kit for helping Mr Ward assemble the hockey goals during his playtime without being asked to.

Readers of the week:

Chestnut class: Toby, Finley, Sophie, Teddy and Ava.

Hazel class: Kit.

If you are struggling to find a pen each day, or the time to record your child reading, we do accept a note once a week in the reading record which can simply say 'read x5' with a signature from an adult. Then the children can still get their rewards.

If any children have a recent award, belt, medal or certificate given to them outside of school, please let us know so we can celebrate this in school too!

Easter Service

We are having an Easter service at Bawdsey church on Thursday 28th starting at 10.30. We are delighted to invite Parents and Carers, but please be aware spaces can be limited. Could you also leave the rows at the front on both sides of the church free so the children can sit down, thank you. Nursery children will be staying at school on this morning as they often get upset with morning services, when they see their parents or carers and cannot go home with them.

School lunches

A high proportion of children are choosing to have a school packed lunch each day instead of the hot lunch. If you would prefer your child to choose the hot option please can you let them know this and their class teacher that you would prefer them to have a hot option. We are concerned in case you may think they are having a hot meal at school and it may mean they have no hot meal in a day.

Police Visit and internet safety links

PC Hannah Canning is coming in to talk to the children about her role in assembly on Monday 25th March. For years 5 and 6 children, they will also have a session about online safety, their online footprint and cyber bullying. This is as they approach high school age and are more likely to be using technology for communication, we would like them to be safe. On Internet matters, these pages may help you support your child at home too. For online reputation information: <https://www.internetmatters.org/issues/online-reputation/> , for online safety: <https://www.internetmatters.org/issues/> and then for cyberbullying: <https://www.internetmatters.org/issues/cyberbullying/> The website Internet Matters can also help you set

parental safety on many devices and games online. It is well worth a look! <https://www.internetmatters.org/> Do contact us if we can help you any further in keeping your children safe online.
