Hot weather adjustments

Due to the continuing heatwave this week the children can come to school wearing either school uniform or PE uniform, whichever is coolest for them.

Please ensure all children have sun cream pre-applied for the day before they come in, that they bring a hat and a filled water bottle.

The children can also bring in a small handheld fan if they have one, not neck ones. They do so at their own risk to the item and themselves though. We will remove them from the children if they are not being safe with them, or it is distracting them. Longer hair will need to be tied up, thank you.
