Willow class will be doing Forest School on a Wednesday afternoon and they will need to be in their PE kit for that day, with shoes or wellies they can change into for the field please.

Clubs starting

Next week there will be After School Care and Breakfast club, but no other teacher led or sports clubs. Please book in advance for After School Care. As it is a new term please sign up for the other teacher led and sport clubs for your children to attend. We will also start to contact people if we cannot run a later session in After School Care due to lack of uptake and the new costs for the After-School Care will be in place.

Ready for the weather and the field

Please can the children bring in a coat or jacket and a jumper for the cold, also a named sun hat and sun cream to be applied in the morning before school on hot days. Water bottles with water in them should be in daily please. Please can children have a change of shoes for the field, or wellies in school during the week, we do like them to be able to go on the field all year round. Thank you in advance for helping us keep your child warm and safe in the sun.

Tilian Partnership Update

We are now a Tilian Partnership school, everything transferred from the Local Authority and we are looking forward to this exciting new era for our school.
