IMPORTANT INFORMATION

Please can all pupils come in with an **all day sun cream** already applied. With **water in their bottles**, a **sun hat** and something to wear if they get cold too. The weather is very changeable and we try to take them out as often as possible and would like them prepared for any temperature or weather on the day, thank you. We have been asked by a broadcaster **working with Bawdsey Radar** if they can come and interview some of the year 6 pupils on the 19th of May. They would like them to take part in their **podcast about the local history of Bawdsey** and how it was instrumental in the war and how Bawdsey's story lives on in the community now. The podcast will be available afterwards and permission slips will come home to some year 6 pupils shortly. **Debts** to the school with **dinner monies and after school club** costs being accrued is mounting up, please reduce these now, or come and discuss a repayment plan with us. Sadly, we are getting to a level with some families where **we will not be able to provide these services anymore** unless the monies owed are reduced. We are aware some people are **not receiving the newsletters**. We are changing the system to hopefully rectify this. **If you missed the last ones** they are on our website. Please follow this link. <https://www.bawdseyprimary.com/page/?title=Newsletters&pid=82>

Please can children **stop bringing toys into school**, thank you. They are causing a lot of problems.

DIARY DATES
